MEMORANDUM FOR: Mr. Ray Cline, DD/I

The USIB indicated a general concurrence with the broad principles recommended for revising the NIS Program (USIB-D-51.1/4, 15 March 1963).

Pending this USIB action the DCI's Coordination Staff prepared two draft papers to recrient the NIS within the framework of the broad principles. The two drafts, which will be discussed and coordinated with agencies concerned are attached for your use. One draft pertains to the concept of the NIS Program and the other to direction and management aspects of the NIS.

I am also delivering these two drafts to preceding 25X1A9a the commencement of staff discussion with agencies concerned which will start tomorrow. The papers within CIA.

We also have ready, for early processing, requests to State, CIA and DIA for revisions of Chapter Outlines of the NIS within the broad principles generally concurred in by the USIB.

Please call on me if you desire further amplification.
